DUNN'S PATENT COTTON TIE.

WE BEG TO ANNOUNCE that we have been appointed Sole Agents for the sale of the above Patent Tie in Virginia and North Carolina.

The satisfaction it gave last season wherever used, warrants us in recommending it as the best tie yet introduced. It combines the advantages of great strength, great simplicity and ease in manipulation, besides the difficulty of taking up the slack of the band in the operation of baling, is entirely obviated.

We shall have our supply direct from the manufacturer in England, for delivery in July or August, and at lowest market rates.

NEW GOODS! NEW GOODS!!

AT

Creech's.

I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a house full of goods and still they come.

Why, just look, the streets filled with drays all loaded with new Good's

FOR CREECH'S.

Just received, 50 CASES OF DRY GOODS, containing a large and varied assortment; and when you talk about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and now opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.

I will sell you Calicoes at 8 cents a per yard; wont you look at them at 10 cents? and cant you afford to buy them at 12½c.

Goods for Men's and Boy's Wear.

Don't you know that I keep the best assortment in the City? You that do not know it, come and look at them and to you that do know, come right along and buy what you want. I have got some for the boy's, plenty for the youth's. A fine supply for the young men and enough to keep the old gentlemen warm, so why not spend a few moments at Creech's and satisfy yourselves?

There the remote Bermudas ride
In the Ocean's bosom unespied;
From a small boat that rowed a-long
The listning winds received the song.
COME TO CREECH'S.

Cloaks and Shawls, Cloaks and Shawls.

Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them to you for $2.00! Do you want them cheaper? same quality. Cant find them! Do you want them finer? I am just the man that has them. 5, 7, 8, 10, 12, 15, 20, 25 and 30 dollars; do you want them finer still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.

Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and it's better, any way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.

All right; Prices right; Styles right; and did you know that Creech's is the place to buy hats right? Come and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands and I hope, by strict attention to business, representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage.

SUPER PHOSPHATE OF LIME

This *Manure* is made of Raw or Unburned Bones rich in Nitrogenous matter, dissolved in Oil of Vitriol, presenting the Bone Phosphate in a highly soluble and quickly available form and the Ammonia in such proportion as to insure a prompt and vigorous action upon the crops.

Where Baugh's Phosphate was applied the past season on Cotton, the indications, without exception, are that it will maintain its well earned reputation. It will prevent Rust on Cotton.

BENCH WARRANTS TO ARREST THE GOVERNOR.

After Justices Dick and Settle, Justice Reade was applied to for a warrant to arrest Governor Holden. The affidavit stated that certain named negroes and white men, armed, and acting under the order of one George W. Kirk and one W. W. Holden, had committed an assault and battery on Josiah Turner, Jr. &c. &c. Judge Reade made the following endorsement upon the affidavit:

"I am of the opinion that the application within does not justify the issuing of a bench warrant; and if it were sufficient in other respects, no reason is given for passing over the local authorities.

Signed E. G. READE, A. J. S. C."

If Judge Reade had wanted the law vindicated and a criminal arrested, he would have pointed out the defect in the affidavit.

As to assigning a reason for passing over the local authorities, that is only worthy of poor Cannon, the "horse high, bull strong and pig tight" jurist, who sat down with a map on his lap to count how many counties "Jo Turner had skipped," to get to him.

Judge Reade knew that he was the nearest Judge to us, and only twenty-five miles distant. We are sorry that His Honor took such a circumscribed view of his Judicial duty. He seems to forget that he is a Supreme Court Judge instead of a Magistrate of Mocksain Gap.

Years ago, Judge Reade, then a Magistrate, issued a warrant against Judge Dick—(the old man, we mean,) for leaving Court before the business was through or the term ended, like Tourgee has often done in Orange and other counties. If we had applied to him then for a bench warrant in those days, he might properly have declined to grant it for want of jurisdiction, but, as Judge, his jurisdiction, is enlarged over what it was as a J. P. The Judge takes a narrow view of his powers indeed, if he thinks they are confined to the corporate limits of Mocksain Gap, or even to the more extended area of Shakersag or Sodom—classic territorial divisions in the Judge's county.

A citizen of Currituck or Cherokee has the same right to call on Judge Reade for a warrant, as a citizen of the Gap has.

Judge Russell's opinion has just reached us. It is much after the style of Judge Reade's, but wants the force and wit of "pig tight" Riley Cannon, on the same subject.

As to Cannon, it is said that when he was elected it astonished even the owls in the mountains. An old negro, with whom he is a great favorite, prayed, "God bless the whole world and the surrounding country, and the *Judicials of North Carolina*, including Mas' Riley." And so say we.

JOE IN ORANGE.

We learn that Mr. Joseph W. Holden, "Dad's" candidate for Congress, could not scare up even one fifteenth amendment to speak to at Mangun's Store, in Orange. Joseph was on hand "according to previous notice," but did not speak for want of an audience. He seems to be getting on worse that his striker, Lamond, did at Brassfields in Granville, for *he* had a crowd of *four*, while Joe seems to be going "in a gang by himself."

What has the party come to, that after advertising for a month or so, the leader and standard bearer can't get a single man to hear him. At Hillsboro' it was little better. Twenty-five amendments sat inside the Bar of the Court room, and a few whites looked on, while Joe "norated" at that place.

Joe is as heavy on the market as unsalted mullets that have lain out five nights in the moonshine. He will fall at least two thousand below Judge Gilliam's vote in the district. All that is necessary is for the Conservatives to turn out next Saturday and vote. Joe don't seem a favorite with his party; and no wonder.

A strong Republican said to us soon after Joe's nomination, "Well, if you can't beat Joe you can't beat nothing." It only requires that our friends turn out promptly and there is no question as to the result.

TO THE VOTERS OF THE FOURTH CONGRESSIONAL DISTRICT.

On Saturday the 26th inst., you will be called upon to elect a delegate to the 41st Congress of the United States, to fill the vacancy created by the death of Hon. Robt. B. Gilliam.

At a Convention of the delegates from the several counties of the District, held at Franklinton on Friday, the 11th inst., the Hon. JOHN MANNING, Jr., of Chatham, was selected as the candidate of the Conservative Democratic party, to bear its banner in the present campaign.

The result of the last August election was most glorious to the Conservative people of our State, to all lovers of liberty and peace, and the advocates of retrenchment, low taxes, and economy in the administration of public affairs.

The people of this (4th) district have special cause for thankfulness for the triumphant election of their candidates for Congress, and for the justly severe rebuke which they visited upon those candidates who were the representatives and defenders of a State administration which had made itself an engine of oppression, tyranny and abuse of the people of the State,—which outraged liberty by the arbitrary arrest of hundreds of our best and most respectable citizens, and desecrated the sanctuaries of justice by converting them into tribunals of inquisition, through and by which partizan prejudice and personal malice could be inflicted upon an innocent people,—as expressed on the 4th day of August last, of the course of the Holden administration in making war upon the people of the State, and denying them the benefit of the great writ of *habeas corpus*, which we have been taught to regard as sacred and inviolate, that Holden's administration, for weeks after the election, kept a standing army of hired soldiers at the State Capital and other points, at the expense of the peace loving citizens of our State, and continued to arrest inoffensive citizens without authority of law or precedent.

The acts of the Holden administration were earnestly endorsed and supported by Mr. Joseph W. Holden, the present candidate of the Holden Republican party and opponent of the Hon. John Manning, Jr.

Mr. Jos. W. Holden has been put forward as a candidate for your suffrages as the representative of that party which has made war upon you, and in many ways known to you all, insulted and injured you.

Mr. Jos. W. Holden was, while a member of the late Legislature, an earnest advocate of the infamous Shoffner Military Bill; vacating his seat as presiding officer of the House, taking the floor and making a long speech in its support—by authority of which Gov. Holden, in violation of the Constitution, placed two counties of our State under military law, thus subordinating the civil to military power, placed a renegade Tennessee outlaw with a band of hired ruffians over the peaceable and peace-loving citizens of Alamance and Caswell, to abuse and insult them, deprived many of our fellow-citizens of their liberty, cast them into vile dungeons, and hung them up by the neck to make them *confess* to that which they knew nothing of.

As member of the Legislature, Mr. Jos. W. Holden was cognizant of, if not connected with, the corruption and swindling which characterized the actions of that body, by which millions of your bonds were appropriated and placed in the hands of notoriously corrupt men for manipulation—all of which Mr. Holden has never condemned nor has he taken steps towards exposing the guilty and saving to his State the fair name and fame which she has ever borne.

Mr. Jos. W. Holden has, as editor of the *Standard* newspaper, from the adjournment of the Legislature to within a few weeks ago, warmly defended the Legislature against the charges of corruption; has endeavored to palliate the enormous crimes it committed, and shown himself in every particular to be the warm friend and supporter of the Legislation of the past two years, the advocate and organ of the Holden-Radical administration, and, by presenting himself as the candidate of that party, declaring himself to be the representative of Governor Holden's administration and party.

People of the 4th District, can you vote for Mr. Jos. W. Holden, and thus endorse Gov. Holden's war upon the people, at the expense of the people, the corruption of the Legislature, the Penitentiary swindle, the waste of millions of your bonds, the failure of the Supreme Court to protect our citizens against wicked and unlawful arrests by a partisan Executive, and all those evils which the Holden-Radical party have imposed upon you—thus endorsing the party and administration which have forced unheard of taxes from you to fill the pockets of the myriads of office holders which that party also gave you!

Mr. Holden is opposed to amending the constitution so as to remove the crying evils which it contains, and which you cannot longer, in justice to your private and material interests of your State, submit to.

Mr. Holden, in accepting the nomination declared himself to be opposed to general amnesty, and the removal of disabilities, "unless application be made in the proper spirit, and unless *I know him (the applicant) to be all right*," *i. e.*, unless the applicant belongs to the Holden-Radical party. Mr. Holden declared last summer that he was in favor of general amnesty; now he is opposed to it. He wishes to prevent you, fellow citizens, from saying whom you prefer to be your representative in Congress by keeping in force an unjustly discriminating law.

Mr. Holden is in favor of taxing you upwards of ONE HUNDRED THOUSAND DOLLARS to pay the expense of Gov. Holden's unlawful war.

Mr. Holden is in favor of high taxes, in that he is for keeping up the present large number of high-salaried office-holders, for paying the interest and principle of the millions of debt created by the party of which he is the candidate, and by the Legislature of which he was a member, which money has been squandered by Gov. Holden's favorites and appointees. Mr. Holden advocates the continuance of features of a constitution which, to remain, will impose a tax upon you, *every year*, of upwards of FIVE MILLIONS of DOLLARS.

Will you vote for Mr. Holden, or for John Manning Jr., our Conservative candidate?

Mr. Manning is the advocate of low taxes, of retrenchment, of cutting down high salaries, and of the abolishment of the very numerous and unnecessary offices—created by Mr. Jos. Holden's party—which alone tax you quite as much as your entire State government cost a few years ago, under an honest administration.

Mr. Manning advocates the reduction of the present heavy tax upon the distillation of brandy, by which small distillers are prevented from saving their fruit. Also, for reducing the heavy and onerous tax upon manufactured tobacco, which prevents the development of this, one of our chief resources, only to a limited extent, in the South.

Mr. Manning is opposed to the present rapid reduction of the national debt, as carried out by the national administration, which taxes, so heavily the energy and industry—the labor and the laboring man—of our country; but advocates lower taxes, and longer time for payment.

Mr. Manning is unequivocally opposed to disturbing the Homestead provision of the State Constitution, and those features of the Constitution, State and national, which guarantee to every class of our citizens their rights and privileges.

Upon these issues we present the claims of our candidate, the Hon. John Manning Jr. of Chatham to the suffrages of the people of the 4th Congressional District.

Remember, on NEXT SATURDAY THE 26TH inst. is the day of election. Every man in the district is expected to go to the polls on that day and cast a vote for John Manning Jr. and against J. W. Holden, the Radical war candidate. Elect Mr. Manning, and thus place the capstone upon the glorious triumph of last August, and bury forever, our common enemy, the Radical—Holden—war party of North Carolina.

LOOK OUT FOR JO AND SAM.

These two Radicals are making speeches for each other. If you are to believe Martin and Ashley, who edit the *Standard*, the State will be ruined if they are not elected.

They are both the supporters and apologists of Holden and Kirk. We see no difference; for ourselves we had as soon vote for Kirk or Bergen as for the men who apologize for them. Remember, Mr. Phillips in a speech at Asheville, approved of Kirk's invasion of North Carolina. He has never recanted that speech nor condemned Holden, Kirk and Bergen, who hung by the neck three respectable men of Alamance. These three young men were, until recently, the personal friends and admirers of Mr. Phillips. We know that, twenty years ago, Mr. Phillips and ourself partook of the hospitality of their fathers, and yet to-day he dares not condemn the hanging of the children. Gracious! Sam, are you going to make yourself as low as Jo? You may give it up; you cant defend Holden before the next Legislature without making yourself infamous.

LADIES' MEETING.—We are requested to announce a meeting of all the ladies who desire to assist in making arrangements in relation to the Lee Memorial Ceremonies, at Peace Institute on Tuesday morning at 11 o'clock.

We understand that the object of this meeting is to make provision for suitable floral decorations, &c.

COMING IN.—Members elect to the General Assembly, which convenes on next Monday, have commenced to arrive.—Among the arrivals, we noticed General A. J. Dargan, Senator from Anson, R. B. B. Houston, Esq., Representative from Catawba, and F. N. Strudwick, Representative from Orange.

We suppose the General stands ready to keep his promise, made during the canvass, to "burn the Code of Civil procedure on some wet Friday.".

FINE FAT BEEF IN MARKET.—Mr. Ben Kirkham requests us to say that he will have in market, to day, (Saturday,) from 4 to 9 A. M., and from 3 to 10 P. M., a large supply of fine fat beef. He says he will keep no other sort, and that he will pay the highest price for good stall-fed beef on the hoof. Remember, stall No. 3.

FOLLOW THE EXAMPLE IN MARTIN.—We are informed by a friend, as an actual fact, that every man in Martin county voted in the last election, except two, and they were over eighty years old and sick abed. Let the example be followed in Wake and in every county in the 4th district, next Saturday, and we shall elect our candidates without difficulty.

CRANBERRY TARTS.—Are you fond of cranberry tarts? Take some—they are very nice. You can procure the cranberries at West's stall, first to the right, in the Market House.

LIFE INSURANCE.—We call attention to the advertisement of the Nashville Life Insurance Company, which appears in the SENTINEL this morning, of which T. B. Bailey, Esq., a gentleman well and favorably known, is General Agent for North Carolina.

The Nashville Life Insurance Company comes before the public with facilities and guarantees equal to those of the most reliable companies. Local Agents will soon be announced for various points, when the claims of the Company to public favor will be directly presented.

AN HONEST PORTER.—Mr. T. C. Thaxton, who arrived in Raleigh by the N. C. train yesterday morning, and stopped at the Exchange Hotel, dropped his pocket book, containing $325, in the Exchange omnibus. It was found by James Bullock, the colored Porter of the Exchange, who surrendered it to the owner as soon as he heard who he was. We take pleasure in chronicling such instances of rectitude and honesty, especially in these days of demoralization.

That Astral oil, so long looked for at Julius Lewis', has arrived; see advertisement.

THE OLD LADY out West who was so passionately fond of whistling that she ran off with a peddlar because he could whistle better than her husband, if she were alive now, and visited Briggs' would go off with ecstacy if she saw the great Whistling Monitor Coffee Pot on exhibition. It is, really, the best Coffee Pot we have seen, and we have seen many in our day, but none that came so close to our ideas of what a Coffee Pot should be. What a luxury good coffee is! and what a comfort to housekeepers it must be to have a good Coffee Pot to rely on! The Monitor is just the the thing. Get it.

Our Wilmington exchanges speak in the most glowing terms of the Fair at that place which opened on Tuesday last, and closed yesterday. On the second day, the number of visitors was estimated at from eight to ten thousand.

Address R. V. Pierce, M. D., Buffalo, N. Y., and get a pamphlet on Catarrh free, or send sixty cents and get Dr. Sage's Catarrh Remedy. $500 reward is offered by the proprietor for a case of Catarrh which he cannot cure. Sold by druggists.

"SPALDING'S GLUE," useful in every house.

THE ORDER OF THE DAY.—A general order for *Sozodont*. In the *teeth of all opposition* it has become the supreme dentrifice of the age.

No impurity can infest the teeth cleaned daily with *Sozodont. Quillay*, the bark of the Chilian Soap Tree, an article which possesses cleansing properties superior to those of any other known substance, is one of the ingredients of this peerless compound. *Sozodont* is the only dentrifice in existence in which this salubrious botanical product is incorporated.

GRAND MASS MEETING IN GRANVILLE.—Mr. Lamond, who went from Raleigh to Granville, to stump the county for "my son Joe," appointed a "grand meeting" at Brassfields. When he arrived on the ground, on the day appointed, there were just four negroes assembled to listen to him. Just four and no more. Not wishing to waste his sweetness on the desert air, he postponed the grand mass meeting to some (indefinite) future day, of which "due and timely notice" will be given.—We are afraid Lamond will not earn his share of the $6,000 sent out here from Washington to carry the district.

THAYER'S CIRCUS.—This "grand combination" seems to have collapsed at High Point. We notice from our Western exchanges that on the arrival of the Circus at that point, the employees of the Company became clamorous for arrearages of pay, and the exchequer being exhausted, they took out executions, and the whole concern, in consequence, is advertised to be sold at public auction on Tuesday next. Here is an opportunity offered to some enterprising individual to go into the circus business.

The reason that President Grant has no confidence in Wilson of the general land office, has been ferreted out by Don Piatt, who gives the reasons in a letter to the Cincinnati *Commercial*. Grant lost confidence in Wilson because the latter framed a certain land bill which interfered with the claims of the Dent family to some very valuable lands in Carondolet, Missouri, putting the said Dent family on the same footing of other land claimants under similar circumstances. Grant will never forgive him.

R. R. MEETING.—At a meeting of the Stockholders of the W. & W. Railroad, held in Wilmington on Wednesday last the following Directors were elected for the ensuing year: W. A. Wright, A. J. DeRosset, George Harris, Wilmington; W. T. Walters, B. F. Newcomer, S. M. Shoemaker, Baltimore, J. D. Cameron, Harrisburg, Pa.; W. H. Willard, Raleigh, N. C.; C. H. Brogden, Goldsboro, N. C; George Howard, Tarboro' N. C.

Hon. R. R. Bridgers was re-elected President of the Company.

The next annual meeting will be held in Wilmington on the first Wednesday after the second Monday in November next.

PERSONAL.—We notice that Capt. T. J. Jarvis, of Tyrell county, member of the House of Representatives, arrived in the city last night. Also, J. C. Skinner, one of the Senators from the 1st District, and L. C. Latham, Esq., Senator from the 2nd District.

The Newbern *Times* says that was not his picture the *Republican* published.—Well, the mistake was ours, but we are excusable on account of the strong *family likeness*.

Secretary Fish has authorized a denial of the statement that Minister Motley has been peremptorily recalled.

Snow, in Newbern on Tuesday night—not much of it, though.

The Chicago *Tribune* has abandoned the Republican party, and goes in for Revenue reform.

THE LATE ELECTIONS.

SUCCESS OF THE DEMOCRACY IN ALABAMA CONCEDED.

MONTGOMERY, November 15.—The success of the Democratic State ticket is generally conceded by from 3,600 to 5,000 majority. The House will stand 65 Democrats to 35 Republicans. About fifteen of the latter are colored. The last House contained about 83 Republicans to 17 Democrats. The members of the Senate hold over, and that body stands 31 Republicans to 2 Democrats. It is doubtful which party will have the majority on a joint ballott.

LATER RETURNS FROM ILLINOIS.

CHICAGO, November 15.—The election of General Moore to Congress in the Seventh Illinois District is placed beyond a doubt, by a majority of 800 or 900.

There seems to be no further doubt of the election of Hawley (Republican) in the Fourth District. His majority is small.

THE ELECTION IN ARIZONA.

SAN FRANCISCO, November 15.—The latest Arizona election returns show that McCormick, for Congress, is 1,000 ahead, which will make his election sure.

"THE VERDICT."—A morning cotemporary devotes considerable space to extracts from the Republican and "Independent press" of the country to sustain General Grant in relation to the Cox muddle. In looking over these extracts, the rather curious fact is developed that out of a score of these endorsements of the President's action quoted by the journal referred to, no less than four are taken from papers edited or controlled by postmasters, one from a journal conducted by a custom-house officer, two by internal revenue collectors, four by faithful servants who get plenty of Government advertising, three controlled by a prominent Eastern Radical Senator, one by a very successful Radical Government contractor, and one by praiseworthy ambition to share in the division of offices. Total, sixteen. The unanimity with which these sixteen "Independent" journals arrive at the same disinterested conclusion must be held on all hands to be the very summit of high-toned journalism. *Washington Patriot.*

A JUDICIAL INCIDENT.

During the trial of George Chahoon, ex-carpet bag Mayor of Richmond, recently convicted of forgery in that city, and sentenced to the penitentiary for four years, an incident occurred which is probably unparalleled in judicial history. Chahoon, it appears, is United States Commissioner, and when the case against him closed for the day, he was taken into custody by the United States Marshal and conveyed to his own court, there to sit in judgment on other offenders. At the close of his day's work, says the paper which records the fact, "he was handed over by the Marshal to be put in the lock up!"

"Oh! but it was grand," said King Jamie, "to hear Baby Charles laying down the guilt of dissimulation, and Steenie lecturing on the turpitude of incontinence!" And to see a man under trial for an infamous crime don, metaphorically, the spotless ermine, ascend the judgment seat, and there, representing the majesty of the justice of the United States, proceed to try, to exhort, and to admonish offenders, must have been truly an edifying and suggestive spectacle —one, probably, which could be witnessed in no other civilized country but this, under the happy auspices of the present Administration.—*Washington Patriot.*

EXAMPLE, BETTER THAN PRECEPT, AND

TO ALL WHOM IT MAY CONCERN.

THE subscriber has been interrogated within the last few days by a very considerable number of persons in reference to the fact as to whether our lately departed fellow citizen, the Rev. Wm. E. Pell was or was not insured in the Ætna Company. And now my reply is given in this public way for the information of all those who may feel a true and personal interest in the temporal comfort and prosperity of those he so nobly and faithfully represented while living. He was one among many of the first who took policies in this Company in 1865. His example in Church and State are worthy of the highest Commendation and emulation by every one. He sought first his personal salvation, and then used all legitimate means to provide for those he loved best. He insured in the Ætna Company for $10,000 about the time that Gov. Worth took $5,000, R. Andrews $10,000, J. A. Moore $15,000, A. Kline 5,000, and many others who might be named. "He who provides not for his own and especially for those of his own house will find what he is compared to in Holy writ, a word to the wise is sufficient, and in conclusion we say be advised while in health to follow the example of our friend. And if the Ætna Company after having paid already $182,000 to the widows and orphans of the State is not approved of and worthy of your confidence, we will say insure in the next best you can find.

NEW YORK, Nov. 18.—The *Telegram's* special London dispatch says that it is rumored that Austria has ordered a large number of troops to the Turkish frontier in order that she may be ready to co-operate with any Power, in the event of the breaking out of hostilities. Rumors come here thick and fast, but the general impression is that nothing can avert a war.

ILLINOIS.

LONDON, Nov. 18.—Tann has withdrawn from Toury and Patoy.

WASHINGTON.

WASHINGTON, Nov. 18.—The "Nipsic" has returned with the marines sent to regulate the Virginia elections.

The Cabinet discussed the European situation to-day.

NEW YORK.

NEW YORK, Nov. 18.—The *World's* special from Tours, dated the 17th, says that Palladine has repeated his strategic movements, which resulted in a victory at Orleans, and has accomplished another more important success.—While threatening the German front, he swung round his left wing, moving, at the same time, a whole corps from Chartres towards Etampes, where the corps paused. Thus Palladine thrust himself between the Duke of Mecklenburg and Paris, and encircled the army in front—While this was going on the Germans divining their danger, commenced to retreat from Toury northward to a point 12 miles south of Etampes. Some fighting occurred, resulting in advantage to the French. Palladine's vanguard is now 22 miles due south of Versailles. The government here has advice that Frederick Charles' advance has only reached Aoeane to-day, ten days March from Toury.

The *World's* special dispatch from London, dated the 18th says that a dispatch from Fish to Moran concerning the Alabama claims arrived to-day. Lord Granville being out of town, the dispatch could not be communicated to him.—The contents are up to this moment are unknown to the public. In circles where the fact of the arrival of the dispatch is known, great consternation and excitement prevails. It is assumed that Russia and the United States have a secret understanding.

A telegram from Brussels dated to-day says: Yesterday a Division of Mecklenburg's troops advanced along the road from Hondan to Dreux and occupied the latter town, meeting slight resistance from that portion of the French army, commanded by Kiereck, who were marching to join the army of the Loire from Chartres. Hard fighting is reported going on along the road from Augerville to Etampes.

NORTH CAROLINA.

WILMINGTON, Nov. 18.—The Fair closed to day. It was a most complete success. Fifteen thousand persons were on the grounds to-day to witness the Tournament.

FOREIGN.

PESTHE, Nov. 18.—The opposition party in the Hungarian Diet continue urging a decided course in the matter of Russia's demand.

LONDON, Nov. 18.—It is now ascertained that the Prussians in front of Palladine have not retreated.

Advices from Orleans up to this evening (Monday,) state that the Prussians had retired to Northward, beyond Arthenay. The French had constructed heavy earthworks in front of the railway junction, just outside of Orleans. Ten thousand men were employed upon the works.

The French army under General Palladine was massed between Orleans and Arthenay.—The cavalry of the French being wretchedly managed, seriously interfered with their success. A large number of boats have been collected at Orleans to cross the army to the Southern bank of the Loire in case of a defeat in the impending battle.—Requisitions made by Prussians at Orleans amounted to £200,000. Some skirmishing has already been reported at the French out posts.

It is said that the particular violations of the Paris treaty, which Russia has complained of, is as follows: The cruise of the Prince of Wales in the Black Sea in an English frigate, and a similar trip made subsequently by Lord Bulwer Lytton; the appearance of an Austrian squadron at Varana, a Turkish city on the Black sea, when the Emperor of Austria was there, and lastly, the voyage of the Sultan in a Turkish frigate.—The Russian Envoy at Constantinople protested against the latter circumstance at the time, but ineffectually.

ARTHENAY, Nov. 18.—The Prussians hold all the strongholds along the Ura Mountains.

A siege of Langevy and Montmedy is imminent.

A sortie from Mezieres was repulsed.

VERSAILLES, Nov. 18.—The King telegraphed the Queen to-day that the Duke Mecklenburg yesterday repulsed the enemy along the whole line, near Dreux. General Tevreskow at same time captured Dreux. Many prisoners were taken. The enemy were pursued in the direction Lemaus.

MADRID, Nov. 18.—A committee of fifteen members of the Cortes have been appointed to proceed to Florence to present the Spanish crown to Aosta. The election of Aosta is highly popular throughout the provinces. No disorders have followed the proclamation, although the government had reason to believe that as his candidature was unpopular in certain quarters, there might be demonstrations of disapproval. The services of troops have not been needed anywhere. In all large cities cannons were fired in honor of the event.

FLORENCE, Nov. 18.—Aosta arrived from Naples. He met with the enthusiastic acclamations of the people.

The President of the Council, the Spanish Minister to Italy and other notables subsequently called upon him and tendered their congratulations.

VIENNA, Nov. 18.—The *Free Presse* to-day confirms the identity of the English and Austrian notes to the Russian Emperor.

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,

CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $18,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $1,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in al Note Companies.
8. The sum of $2,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealings equitable that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies".
17. The amount of new business during the year ending "December, 1, 1869, was $51,021 141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000,000 greater than any other company.

and nearly doubled its immense Capital of $1,000,000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete.—Depth Cotton Box 8 feet · Size Bale 4½ feet x26x28x30in; wt. Bale 400 to 550 lbs.

MR. THOMAS H. BRIGGS: Dear Sir:—Yours of 13th instant inquiring as to the merits of the "Utley Cotton Press" is to hand, and in reply I would say that I have tried other Presses and consider the *plan upon which the Utley Press works* cheaper, simpler and more durable than any I have met with.

Yours very respectfully, JAS. B. WILDER

T. H. BRIGGS, Esq., Raleigh, N. C.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season. I packed my own crop of cotton, also other crops for my neighbors, making in all one hundred bales. I consider it superior in all respects to any Press I have ever seen and that it is every thing the patentee represents, I packed bales weighing from four hundred to five hundred and ninety-seven pounds.

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer light than Coal Oil and to be NON EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Assetts exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "*Definite surrender values guaranteed*" as an inducement to new business, but references is made in the strongest amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in evidence of having paid larger surrender values, than has been given under a misnomer "Definite Cash Surrender Value." Death losses have not occurred, out of several hundred policy-holders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York *compel* Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important guarantee. It will be found in the BROOKLYN LIFE.
